

Hosting a Diaper Drive

Share Your Plans With A Hand Up-NOVA, Inc.

We encourage you to contact us if you are hosting a diaper drive. We can help promote your diaper drive and get you connected with an NDBN member in your area who can be the recipient of your collection!

Choose Your Location(s)

Pick a place that is centrally located. A library, school, or local business – gain the support of the community by making it convenient to donate! Selecting a location that is easily accessible will generate greater participation. Label collection bins, and download our drop box flyer!

Decide on a Time Frame

Plan to host your diaper drive for at least a week, or longer so people have enough time to donate. Does it make sense to tie your drive to a holiday, or community tradition? Perhaps you can partner with an already planned event! FYI: Diaper Need Awareness Week takes place at the end of every September.

Get The Word Out

Announce your diaper drive through social media, press releases to local media and post notices (like our fact sheets and flyers we included) near the locations to donate! One of the best ways to advertise is word of mouth so be sure to talk about the drive to anyone and everyone.
